Open Doors World Watch List 2020 - Niger How many Christians are there in Niger? - numbering 62,200, Christians are a tiny minority in Niger; they make up just 0.3 per cent of the total population of 23.2 million people.

Why are Christians persecuted in Niger? - While the church has mostly enjoyed religious freedom in recent decades, the overwhelming Muslim majority and external extremist influences continue to push for Sharia Law to be adopted in Niger. Radical Islam is also on the rise. It is only recently that the church has become a particular target of militant Islamist groups, including the Izala group who originated in northern Nigeria. The justice system in the country is threatened by corruption, and those in authority who engage in corrupt practices are not adequately prosecuted.

What’s life like for Christians in Niger? - In border regions under Islamist control, Christians have been hindered from celebrating Christian weddings. Due to the threat of violence from militant groups, church worship has to be conducted with caution. Christians from a Muslim background often face threats and violence from family members who try to make them renounce their faith. Believers face discrimination economically, and when it comes to jobs; they are rarely able to secure employment within local government services and are frequently denied promotion. Christians have occasionally been hindered from gathering for meetings and the legal process for the registration of churches is long and difficult.

Is it getting harder to be a Christian in Niger? - Yes. The increasing pressure and violence coming from jihadists in the Sahel region means that it is becoming more dangerous to practice the Christian faith in Niger in safety.

We Pray Lord Jesus, please protect our brothers and sisters in Niger who are facing violence and oppression for choosing to follow You. May their light and example shine bright and draw many to Yourself. Help believers to find their joy, their peace and their hope in You, and reveal Your love and Your mercy to those bent on hate and destruction.

E.B.A. Weekly Prayer Focus - Woodbridge Quay Church. Woodbridge is a vibrant Suffolk market town on the River Deben. Woodbridge Quay Church is a growing and active church in the heart of the town serving a fellowship of 250 people. Their pastor is Rev. Doug Waller. The church is well known in the town for its Hand Sculpture that features the words ‘I hold and am held.’ It is quite possibly the most photographed location in Woodbridge and the church has become known as ‘The Church with the Hands’ that has given rise to our mission focus. They host the ‘Big Family Day Out’ in the summer. They hold Alpha courses and have seen a number of people come into church as a result. They host monthly coffee mornings; Little Hands – a popular toddler group that has over 40 children each week; ‘OAR’ – Our Active Retirees, a ministry to the older generation; Family Connect - which is a ministry that encourages families to do things together; Quay Time - a community café for the lonely and vulnerable; and from Easter they began hosting a regular youth group called ‘Origin’. In the past eighteen months they have developed a monthly ‘Breakfast Church’ service on a Sunday morning. This is increasingly popular with young families, and provides a different way of doing church, which is much more oriented around dialogue and collaboration, with craft activities and interactive teaching also taking place.

For Prayer They are currently seeking to employ additional staff and a second minister who will focus on their growing number of families in the church. Pray that God will be with them in that journey and that He would bring the right people, For their Alpha course that begins in January, that they would see people come to faith and give thanks to God for the growing number of young people they have had come to the church in the past year. Pray that they would come to have a personal relationship with Jesus.

CHURCHES TOGETHER ECUMENICAL LENT GROUPS

The plan to run ecumenical Lent Groups this year is dependent on having hosts and leaders who are willing to make this happen. Please fill in the appropriate sign-up sheets in church from today to indicate whether this is something that you're willing to help with. Hopefully there will be enough leaders and hosts from all the churches to mean that there is plenty of choice through the weeks of Lent.
