

# Secret Church

<https://www.opendoorsuk.org/resources/secret-church/>

Last Sunday (12<sup>th</sup> July) we used materials produced by Open Doors for our Zoom Church Gathering.

The following pages detail some of the questions that were asked, and the activities and the prayer pointers used.

Please use them for your own reflection and prayers as we remember Christians who face persecution across the world.

# Sharing Burdens

During the last week...

- What has been difficult and challenging?
- What has been encouraging?
- Where has God been at work?
- What can you be thankful for?

Remember these questions when you are speaking to friends and family, as well as for your own reflections

# Depending on the Word

How to learn from the Bible when you don't own one...

- How many versions of the Bible can you name?
- Guess how many Bibles you own
- Do you have a favourite Bible verse/story?

Challenge – to write down your favourite Bible verse/story on a sheet of toilet paper (easy to dispose of in a hurry if you need to)

# Praying Together

Pray for those who are brought to mind when you think of:

- Isolated believers
- Imprisoned believers
- Traumatized believers

Ask God that he will continue:

- Sustaining believers
- Encouraging believers
