

Traidcraft Stock

If you're missing your Fairtrade 'Sunday treats', Vivien and Vicky have a list of Traidcraft food items that are available for you to buy. There are a few items which are past their 'best before' date and so are half price. Please have a look at the list and see what's available. If you'd like to buy something, please phone Vivien (278554) or Vicky (277864). Collection or delivery are both available.

New in stock items are listed in purple. Reduced items are listed in red.
