

The Pastor Writes - April 2013

April 18, 2013

Dear Friends

Take a walk with me through the landscape of Easter as the Bible portrays it.

Psalm Sunday

Rapturous popular admiration for Jesus and religious condemnation

Jesus Cleanses the Temple

The Last Supper - the way of salvation revealed in symbolic form

In Gethsemane- wrestling in prayer with his fathers will. God's ways are not always easy.

Betrayal - a follower betrays with a kiss

Trial and political machinations

Betrayal - I do not know him - a cock crowing!

A man carries the cross of Jesus

Jesus cares for his mother

A Roman Officer declares him the son of God

A dying criminal finds the way to Paradise

He dies

They watch his tomb

He is Risen. Jesus is Alive

Happy Easter

Your friend and Pastor

David
