

**WHY NOT JOIN ME FOR SOME TIME  
WITH GOD AND HIS CREATION?**

## **A PRAYER WALK in FOXEARTH MEADOWS**

**Wednesday, 23<sup>RD</sup> October 2019 at 2pm**

**You are invited to join Rev'd Lynda and the Community Engagement Officer for Foxearth Meadows, Andy Jowitt, for a short circular prayer walk around this beautiful nature reserve – home to a variety of insects, plants and creatures that flourish in this environment.**

\*

**This gentle walk follows a planned route with stations for prayer, at each station there are Bible verses to read and ideas for prayer – whether in silence or out loud.**

\*

**Please note that most of the pathways are reasonably level, but not all, and there are boardwalks in some areas. Car parking is available as well as a composting loo!**

\*

**The walk will take around 45 mins.  
In the event of poor weather, we will reschedule.**

***Take time out of this busy world to stop – look – listen.***

**PLEASE CONTACT REV'D LYNDA FOR FURTHER INFORMATION AND  
TO RESERVE YOUR PLACE: 01787 313769.**

**We may be able to organise lifts for those without transport.**

*Foxearth Meadows Nature Reserve is tucked away in the north of Foxearth parish, next to Glemsford Pits. Nearest postcode is CO10 7HZ, a private residence called Constable's Barn. The reserve is a couple of hundred yards north-west of there, down the hill on the right. You will see a verge with double gates.*
